

Kinderstrings

Kinderstrings is an introductory music program for OLV Kindergarten students interested in beginning violin lessons. The children are taught the basics of playing the violin in a fun and loving environment. The group setting provides a social atmosphere and includes music, activities and games designed specifically for children this age. The children learn by watching, listening, and playing on a provided pretend violin.

Kinderstrings is offered during the fall for all kindergarten students at OLV during Mrs. Capozzi's music class. For four weeks, Mrs. Huff teaches all the kiddos the basics of violin playing (for free).

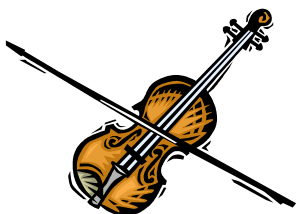

More Kinderstrings is offered after Christmas for a three-month period in a small group setting outside of the OLVCS school day. Parents will bring their children to Mrs. Huff's home during the week to participate in the fun. This will be held January - March on Tuesday evenings in Park Forest (pending Covid safety). Parents will stay to observe the lessons, will play the violin music in the background at home, and encourage their student to play their pretend violin at home. (Violin rental won't be required until Junior Strings in first grade.)

Tuition for the program is **\$65** per month which includes ten 30 minute group lessons and a mini-recital. Payment by check or through Venmo to Patrese Huff.
